FREQUENTLY ASKED QUESTIONS

Is there a minimum amount of people required for a buffet?

Yes, 25 people.

Do you offer separate checks?

Only for groups under the size of 35 guests.

What if I have kids or light eaters in my party?

We recommend counting two of these people as one person when planning your food menu. You will then only be charged for one person. It would be the same as if these two people shared one plate.

What if not all my guests will be eating?

You can discuss with the Event Coordinator how many people you think will be eating. It is no problem to add pizzas, regular menu items or certain platters at the time of your event, should you need more food. You will be charged an a la carte price for the items added.

What if I'm not sure of my final headcount?

You can discuss with the Event Coordinator how many people you think will be attending and the amount of food that would be appropriate. We can add pizzas, regular menu items or certain platters at the time of your event, should you need more food. You will be charged an a la carte price for the items added.

POLICIES AND CONDITIONS

Jupiter's at the Crossing is honored that you have chosen our establishment to entertain your guests. To provide an excellent dining experience as you reserve space for your special event, we have designed an agreement that will help us ensure your party is a success.

The following are our basic guidelines which apply to all events:

- **It is recommended that space be reserved at least 48 hours prior to your event** with an Event Coordinator.
- **Each party package requires a signed and returned Party Package Agreement.** The credit card used to hold the space will be charged only if: a) you fail to cancel your reservation in the required number of days prior to the scheduled event; b) other incidental events deemed necessary by Jupiter's at the Crossing (i.e. damage, rentals, set-up labor incurred).
- **Amenities:** Any amenities outsourced through Jupiter's will be billed at cost, including any labor incurred.
- **Payment:** We do not accept purchase orders, money orders or personal checks. Cash, credit card or business checks only. Payment is due the day of the event, upon completion of the event, unless otherwise arranged.
- **Seating Time:** We suggest arriving on time. We will make every effort to seat you promptly at your scheduled arrival time. Your start time begins at your scheduled arrival time and you will have the space for the contracted time period. If you are going to be early or late, it is recommended that you contact the restaurant at (217) 366-8300 to ensure prompt seating and that we will hold your reservation. We cannot guarantee your reservation after 30 minutes unless we are notified in advance.
- **Decorations:** No decorations of any kind may be tacked, taped or affixed in any way to the walls, pillars, tables, chairs, beams or other surfaces of the building, inside or out. We do not allow confetti, glitter, or sequins of any type to be sprinkled on the tables.
- **Final Head Count:** It is your responsibility to provide a final head count and finalize the menu with an Event Coordinator, by 3:00 pm 4 days prior to your event. If the Event Coordinator is not notified by this date, the minimum Final Head Count will be based off of the initial number we were given. The final head count determines the minimum amount of guests you will be charged for.
- **The Event Coordinators:** Samantha Saunders is available Monday – Friday, 10am-5pm. You may contact them directly at (217) 840-3235 or crossingreservations@gmail.com. Please make sure to meet any deadlines during these hours!
- **After Hours Contact:** If you are running late or have a change of any kind on the day of your event, make sure you choose to speak with the MANAGER ON DUTY by calling 217-366-8300 and asking for the Manager on Duty. Event Coordinators may/may not be on duty when you call. Therefore, leaving a message for the Event Coordinator is not valid and may not be received prior to your event.
- **Sales Tax is not included in the per person price.** All terms and conditions will be enforced at the sole discretion of management.
- **Gratuity:** Any gratuity added to the bill is a tip paid directly to your serving staff. 18% gratuity is typically added unless otherwise noted or set forth previously in this contract. You may feel free to adjust the amount based upon your service experience.
- **All prices, selection & availability may vary.**

Local health code prohibits our guests from bringing in outside food or beverage. This is to ensure that any foodborne illness can be traced back to its origin. For information on foodborne illness, visit: www.c-uphd.org
